

## 2018 GAMMA Job Platform

The organizing committee of 2018 GMC at Tokyo is proud to announce the '2018 GAMMA Job Platform.' This platform acts as a bridge between academic job openings and scholars who wish to apply for those jobs at this conference.

The 2018 GMC at Tokyo, 26–29 July, 2018, is the largest marketing conference in the Asia Pacific region attracting scholars from all over the world. It is a fantastic opportunity to link potential jobs with candidates in this growing and dynamic academic market.

We invite you to post your academic jobs, or academic CV on this platform. More information can be found in the 2018 GMC at Tokyo Homepage (<http://gammaconference.org/2018/>).
