

## **JOB POSITION : ASSISTANT PROFESSOR**

Emlyon Business School **Institute for Artificial Intelligence in Management** (AIM) aims to study and foster the societal and economic impacts of Data Driven AI and Embedded AI on Management and Business.

This global project is directly in line with EMLYON's 2023 strategy to develop an extended and strategic research/content/dissemination offer on AI. This Initiative will be run by a dedicated team of experts and researchers from EMLYON, leveraging on academic and corporate partnerships. The end-users targeted are EMLYON's students, the general public, academic and corporate partners and international institutions.

Inside this initiative, Emlyon Business School invites applications for a position of Assistant Professor beginning in September 2018

### **THE POSITION**

Candidates should have the following requirements:

- have a PhD in Marketing or Management (with orientation in Big Data and Analytics, e-commerce, artificial intelligence) or a related area.
- have an interest and experience in the operational as well as strategic aspects of digital transformation.
- excellence in quantitative methods.
- have a strong research orientation and track record, as demonstrated by publication track record in highly regarded management journals (e.g., FT list) or show potential (for the position of Assistant Professor).
- be able to merge fundamental theoretical knowledge with practical relevance and to build and maintain sustainable relationships with practitioners (cooperate with companies, develop innovative pedagogical projects with them).
- Strong interest to invest the research focus on Artificial Intelligence and Robotics
- Ability to teach in English.

Salary and conditions are competitive and will be commensurated with qualifications and experience.

### **THE SCHOOL**

**emlyon business school**, one of the leading French Grandes Ecoles in Management, has consistently been ranked among the top European Business Schools. It holds triple accreditation (AACSB, EQUIS, and AMBA) and offers a wide range of programs including an MSc in Management, Specialized Master's degrees, MBA, PhD, as well as open and tailor-made executive programs.

**emlyon business school** has campuses in France (Lyon and Paris), China (Shanghai) and Morocco (Casablanca).

Having celebrated its 140th anniversary in 2012, **emlyon business school** is a dynamic and innovative institution with a 119-strong faculty dedicated to develop excellence both in teaching and research thanks to unique and specific means (learning lab, clusters of excellence). emlyon's motto is Early Makers. This concept

reflects our vision of the entrepreneur: an individual who tries, experiments, makes mistakes, starts again and learns as they go. An entrepreneur must now combine this dimension of doing and doing quickly with the ability to anticipate, mix and nurture ideas, see things before others and do things quicker than others. The entrepreneur from emlyon business school is a maker and an early mover. He/she is an early maker.

#### **THE APPLICATION SHOULD CONSIST OF**

- A cover letter including motivation to join emlyon business school
- A research and teaching statement (with teaching evaluations)
- A current vita
- The paper to be presented if invited for a job interview (preferably unpublished)
- A list of papers under review or in progress
- A copy of three significant publications or working papers
- Reference letters from two referees

All application materials should be submitted in English. The application materials will not be returned.

Candidates are strongly encouraged to apply as soon as possible, as review of applications will begin immediately, and continue until the position has been filled.
